# Holloway's Dream Garden

THE HOME OF  
GOLDEN TETON AND MODERN GLADS SILVERY TETON

GAGE T. HOLLOWAY (1943) HENRY, NEBRASKA

Give fools their gold and knaves their power;  
Let fortune's bubbles rise and fall;  
Who sows a field or trains a flower,  
Or plants a tree, is more than all.

—John Greenleaf Whittier

In these trying times of sorrows and uncertainties what more can be done to make our cares slip away than to really have the loveliest garden ever. We are more than grateful for the splendid business you have given us the past season. We deeply appreciate your fine letters and so sorry that the labor situation incident to all growers, prevented our making a personal reply in each instance.

Of course "War Bonds" should come first on your list  
And our prices enable you to have the "Tops" you have missed  
We try to list the "Majestic Beauties" that will really fit in  
At a time when the entire world rocks with tragedies of sin  
Even though you may call it a calamity thru and thru  
Merely because you can't step on the gas as you used to do;  
Blessed is he who now has opportunity to really go slow  
And no detail will be overlooked to make the "Super Glads" grow.  
After all, we know it will add up to just one thing  
Nature's garden of wonder and beauty has made you a king.  
If it is new in the Glad world and the finest we grow  
Chances are old man Holloway will have a full row;  
And when you open your package and there seems no end  
To all the "top" extras we are sure to send,  
Just remember that something was needed to give you cheer  
And it was our wish to extend your Christmas season all the year;  
While sugar, coffee and butter are short with many today,  
Route your bulb orders to us and have much less to pay.

## "MOON SIGN BOOK"

Valuable publication, 256 pages, annually compiled by Llewellyn Publications, Ltd. Get in harmony with nature—It pays. Postpaid \$1.00; supplied with bulb orders aggregating \$5.00 net for 75c each; and on orders of \$10.00 or over for 50c each.

## —OUR INTRODUCTIONS—

GOLDEN TETON - - SILVERY TETON - - JANE WITHERS

We have a right to be proud of these "Gleaming Beauties." Golden Teton continues to be our best yellow, winner of many ribbons, the very best for show competition and has brought us many letters of praise. Silvery Teton is universally conceded the best rose red to date, winner of many ribbons, grand champion at Indianapolis in 1940 and we understand was in Mr. Wyman's GOLD MEDAL Best Collection of 25 Spikes at the Boston Show the past season. Jane Withers is conceded by many as ranking at the top of the list as the best and brightest lavender. However, reports from other sections of the country would disclose that it is inclined to grow a little short. A vigorous grower and plenty of stretch with us, making it a favorite of the florists here. We want these fine varieties to reach all the shows the coming season, and have slashed prices so you can own them. You will find them listed in the General List, Super Specials and Wholesale List.

## 1943 KRUEGER INTRODUCTIONS

**MISS WISCONSIN**—One of the most beautiful cerise rose mid-late gladiolus to be offered in many years. Opens five to seven 5¼ inch florets on an 18-bud spike of 20 to 26 inch flower head. It is healthy and produces a fair number of bulblets that germinate readily and without doubt this variety is destined for a great show record.

**SHOW QUEEN**—Glowing salmon pink seedling of Diane that retains the same color sheen found in that variety, 24-inch flower head, eight 6-inch florets open at a time. The spike of this late variety is a marvel of balance and beauty and propagates well. Price each: L. \$3.00; M. \$2.00; S. \$1.00; Bulblets 25c each, 10 for \$2.00. No need to mention the fact that Mr. Krueger has given us some of the finest varieties that can be found in our gardens today.

## 1943 DR. GEO. H. SCHEER INTRODUCTION

**EGLANTINE**—A clear heavily ruffled pure pink with cream throat that will open 7 on a perfect spike, lower florets up to 7 inches across and considered Dr. Scheer's most magnificent introduction. Early mid-season, good propagator and healthy grower. Price each: L. \$15.00; M. \$12.00; S. \$10.00; Bulblets, each \$1.50, 4 for \$5.00.

CALIFORNIA—Big clear geranium pink.

KING OF HEARTS—Giant brilliant light coral red.

SIR GALAHAD—Large spectacular cream with scarlet heart.

(The above varieties at the uniform price of: large bulbs, 25c each; 5 for \$1.00; 10 for \$1.85; 50 for \$8.75; Med. 20c each, 10 for \$1.65; 50 for \$7.50)

GRAND OPERA—Very large, tall, clear, deep LaFrance pink.

(Large bulbs each 40c; 3 for \$1.00; 10 for \$3.00; 50 for \$12.50)

Relative to our General Prepaid List: Again you may deduct 25% on orders aggregating \$5.00 or more, mailed not later than March 1; and 20% on orders mailed thereafter, which is equivalent to a cheaper price for the quantity buyer. A 25% deposit will hold your bulbs until Spring. THESE DISCOUNTS DO NOT APPLY TO OUR WHOLESALE LIST OR SPECIALS.

We take pride in our reputation of not being outdone by other growers in the inclusion of extras and overcount, however, you will find your shipment even more profitable when you wish to pay transportation on your order.

Please remember discount—On items priced per 10, you may have 3 bulbs at the ten rate, providing the aggregate of such items is not less than 10c.
